FORAGING

EXAMPLE ITINERARY:

10:00am-11:00am: Foraging Talk
 11:00am-12:30pm: Woodland Walk
 12:30pm-1:00pm: Foraging Wrap-Up

Light Mushroom Tasting (optional): add 1 hour

Mushroom Meal (optional): add 1.5 hours

WHAT TO EXPECT:

Each event will start off with a lesson on mushrooms and foraging for wild edibles with time for questions. Once we are done with the discussion, we will head out into the woods at a leisurely pace, focusing on how to find and identify the common edible mushrooms and plants that are in season. We are never guaranteed as to what kinds or how many wild edibles we will find, but thankfully have never come up empty-handed! The group will split up the mushrooms with everyone at the end of foraging so there is no competition when out hunting. After the hunt we will look over the mushrooms to review what we found and how to cook them.
